Learning Objectives:

- Identify sources of Power & Influence in the face of changing behavior
- Discuss the Technical, Political, and Social Confidences necessary to achieve success in your career

.....
Guest Speakers: Kim Harrison and Gerry Lupacchino

Hartford HealthCare (HHC) Vice President **Kimberly A. Harrison** is a veteran Connecticut lobbyist with extensive experience as an advocate and public policy strategist. She is a recognized leader in government relations for non-profit associations and is a recipient of the National Organization for Women (Connecticut Chapter) Harriet Tubman Award for work on behalf of social justice issues. Prior to joining HHC in March 2013, Ms. Harrison owned an independent lobbying practice representing a wide array of clients on numerous social issues. She has been an adjunct professor at the University of Hartford since 2005. Ms. Harrison holds a master's degree in public affairs and a bachelor's degree in political science from the University of Connecticut. She also sits on the Board of Directors of the Manchester Community College Foundation.

Gerry Lupacchino, the Vice President of Experience, Engagement & Organization Development at Hartford HealthCare comes to the group with a vast array of experience in Advance HR Strategies. He has over twenty years of global human resources consulting including leadership assessment, development, executive coaching, global diversity and inclusion, and talent acquisition, proven success with Fortune 500 companies, including those in financial services, healthcare, media, technology, retail, hospitality and life sciences markets, published thought leadership and interviews, articles and quotes appearing in *Fortune*, *The Wall Street Journal* and several internet publications (*CNN on-line*, *Executive Journal*).
