Session Descriptions

Managing Change in the Ever-Changing Healthcare Environment

Andrew Turczak, MHS, MBA, PA-C

It is the elephant in the room and no one likes it, and it's even harder to manage...CHANGE. This presentation will help provide insight and tools around helping clinicians and leaders lead through change management. Pearls will be shared around how to successfully lead groups of people through the ever-changing healthcare environment.

Topics Essential to CO Leadership

Michael Russo, PA-C

A Q&A session to cover important topics in the world of constituent organization leadership.

Organizational Financial Considerations for Growth and Stability

Chris Borajkiewicz

KEYNOTE:

Leadership and Laughter – Creating Light, Laughter and Community

Regina Barreca, Author, Educator and Humorist

Humor is an essential, sometimes life-saving often sanity saving art and skill when facing the most complex parts of life professionally and personally. The generous perspectives of useful humor can allow us to re-group, re-imagine and regain perspective.

Succession Planning

Jason Prevelige, DMSc, MBA, PA-C, DFAAPA – AAPA President-Elect

Finding leaders is a common challenge among organizations, taking proactive steps to ensure a succession plan can help group your organizations human resources and significantly reduce the stress that comes with the yearly election process for many groups.

Open Forum: Q&A

Discussion

Share in the discussion of chapter successes, obstacles, burnout. Learn from chapter leaders the triumphs, the hurdles and how to strengthen your chapter.

Rapid Fire: Idea Exchange

Discussion

Spend this time-sharing ideas of what works and what doesn't. Planning events, non-dues revenue, increasing membership, etc.

Let's dive in and help each other grow.
